Flock number 5062

Main Range merino stud was founded in 2009 when 100 ewes passed official inspection. The merino flock was based on Merryville and Snowy Plain bloodlines for 50 years, under the stewardship of Greg Tozer. Two of the top priced pens of Merryville cfa superfine ewes were added to the flock in 1999 and 2000. At Main Range we aim to breed a balanced merino, with equal emphasis placed on constitution and body size and also on the production of long soft stapled, superior performing wools. To accomplish this aim, the cutting ability and commercial performance of Cottage Park (flock no. 2300)genetics have been used to complement the beautiful wools from Demondrille (flock no. 3994)stud rams.
